## SUPPLIES OR SERVICES AND PRICES

### I. INTRODUCTION

A. The Defense Supply Center Philadelphia (DSCP) intends to support the needs of its customers by entering into one (1) or more Indefinite Quantity Contracts (IQC's) to supply Bread and Bakery products to customers stated in paragraph "B" below. The resulting contract(s) will be Indefinite Quantity Contracts (IQC's) that provide for an indefinite quantity, within stated limits, of specific supplies and services to be furnished during a fixed period, with deliveries to be scheduled by placing orders with the contractor (FAR 16.504 (a)). These contracts will be for a one (1) year base term with a one-year option period.

#### 1. Effective Period of Contract

##### BASE YEAR

Ordering - February 10, 2002 through February 15, 2003

Delivery - February 13, 2002 through February 18, 2003

##### OPTION YEAR

Ordering - February 16, 2003 through February 21, 2004

Delivery - February 19, 2003 through February 24, 2004

2. Option This proposed acquisition contains a one-year option. Acceptance of this option is mandatory. The **Option Year 1** will follow the Base Year period upon expiration of that term. Exercise of the option by the Government is described in 52.217-9P12 Option for Indefinite-Delivery , Indefinite – Quantity Contract Term, Extension (JUL 1998).

3. This acquisition requires destination Military Inspection for count, condition and identity.

4. Unit Prices shall be limited to a maximum of two decimal places. See FAR clause 51.214-9P06, Rounding Off of Offer and Award Prices (January 1992), on page 74 of subject Solicitation. Non compliance may cause your offer to be rejected.

B. This solicitation contains the estimated Bread and Bakery requirements for the following customers:

- NAVAL AIR STATION, JACKSONVILLE, FLORIDA (TROOP ISSUE)
- NAVAL HOSPITAL, JACKSONVILLE, FLORIDA
- FISC MAYPORT, FLORIDA (OASIS GALLEY)
- SHIPS AT MAYPORT, FLORIDA
- CAMP BLANDING, FLORIDA
- NAVAL SUBMARINE BASE, KINGS BAY, GEORGIA

C. The customers in Jacksonville, Mayport and Camp Blanding comprise **Group I, III, IV and VI**. Kings Bay requirements comprise **Groups II and V**.

D. The estimated dollar value is \$328,000.00 for the **total** contract term. The estimated dollar value of the Base Term is \$164,000.00 and the estimated dollar value of the Option Period is \$164,000.00.

**E. This acquisition for Bread and Bakery products is solicited on an “All or None” basis per group. Each group will be evaluated separately. The award will be made based on the lowest evaluated price of proposals meeting or exceeding the technically acceptable standards.**

1. The ability to provide the product in accordance with the item description.
2. The ability to deliver product in accordance with the delivery schedule.

## **II. GUARANTEED MINIMUM/MAXIMUM**

A. The guaranteed minimum for all Groups is 25% of the estimated dollar value, or \$41,000.00 per year.

B. The maximum ceiling on the resultant contract(s) is 125% of the estimated dollar value per year. In the event of emergencies and/or mobilization, the Government reserves the right to unilaterally execute a higher alternate ceiling. This higher alternate ceiling is 150% of the estimated dollar value per year. As illustrated above, these percentages are calculated on a “per contract” basis.

## **III. PRICING**

A. Prices shall be FOB Destination only. See Clause 52.247-9P24 “F.O.B Destination.”

B. Offerors are required to submit a copy of their current Wholesale Price List, Catalog Price Schedule or other documents containing commercial pricing information.

C. **Offerors are required to cross-reference the prices on the Wholesale Price List, Catalog Price Schedule or other pricing documents to the item number on the solicitation.** There are several ways of accomplishing this, including writing the item number, as specified in the solicitation, next to the price and item description on the price list. Please do not submit a separate list of information especially prepared for this solicitation; the pricing catalog, complete with cross-references, is requested.

D. In order to accommodate the Government’s ordering system, the Subsistence Total Order and Receipt Electronic System (STORES), unit prices are limited to a maximum of two (2) places after the decimal point. Reference Clause 52.214-9P06 “Rounding Off of Offer and Award Prices.” In addition, the system requires that prices be fixed for a certain period of time. Prices for the resultant contract(s) will be frozen for the base term of the contract.

E. If offering on more than one (1) group, unit prices for the same item must be identical in all groups. For example if a 16 oz pkg. of raisin bread is priced at \$.74 in group one (1), it must be priced at \$.74 in all groups.

#### **IV. NEW ITEMS**

A. If a customer desires to order an item that is not listed on the resultant contract(s), a written request to the DSCP Market Ready Contract Specialist, Diann Owens, shall be submitted to have the item added. The Contract Specialist will contact the vendor and arrange to have the item added to the STORES catalog.

B. Prior to its inclusion in the STORES catalog, the pricing for each additional item must be negotiated and the Contracting Officer must determine that the price for the respective item is fair and reasonable.

C. A written modification will not be issued when an item is added to the catalog.

D. Additional items may not increase the original dollar value of the contract by more than 25%.

E. **IMPORTANT NOTE**: Items not included in the STORES catalog cannot be ordered from the contractor.

#### **V. ADDITIONAL CUSTOMERS**

A. Additional DoD and non-DoD customers located in the same distribution area as the successful contractor may be added to the contract based on a mutually agreed upon implementation plan.

B. The potential customers cannot increase the amount of the contract by more than 25% in total. It should be noted that the 25% new business will also be allowable at the maximum ceiling and the alternate higher ceiling.

C. To the extent that the customers supported under the contracts do not meet the estimated dollar purchases, the Contracting Officer reserves the right to add more than 25% of additional business. The additional business shall be equivalent to the percentage of unused business. For example, if 20% of the customers' estimate remains unobligated, then an additional 45% may be added to customers on the same contract. This is not transferable from one contract to another.

D. Additional customers are limited to those that receive federal funding.

#### **VI. CUSTOMER SERVICE POLICY**

The contractor(s) shall treat each of the customers covered under the contract(s) as one of its best customers. Therefore, any treatment and/or customer service policy given to other essential accounts shall also be given to the customers covered under this contract.

*The following pages represent the schedule of requirements for the BaseTerm. Please submit pricing for the BaseTerm separately from the Option Period.*

**II. ORDERING SYSTEM**

A. Subsistence Total Order and Receipt Electronic System (STORES)

1. STORES is the Government's ordering system which is capable of accepting orders from any of the Services', i.e. Army, Air Force, Navy or Marines, individual ordering systems and translating the orders into an EDI (Electronic Data Interchange) format. In addition, this information is transmitted to DSCP for the purposes of contractor payment and customer billing.

2. Customers will be able to order all of their bread and bakery requirements through STORES.

3. Initially, STORES Orders will be transmitted via FAX from the customers listed in this solicitation to the successful awardee(s). While it is not a requirement of this solicitation, vendors are encouraged to have a separate FAX line in order to accommodate orders in a timely, efficient manner.

4. EDI capability is not a requirement for award under this solicitation however, DSCP anticipates that all vendors will be EDI capable by October 2002 and will take the necessary steps now to ensure that this goal is met. Offerors should consider moving towards a fully functional EDI environment. In order to interface with STORES electronically, the offeror must be able to support the following EDI transaction sets:

However, a customer may decide to place an order with a longer leadtime for delivery.

## V. SUBSTITUTIONS

A. Substitutions must be of the same or higher quality and at the same or lower price. Payment of items will be based on the price in the vendor's electronic catalog. Therefore, firms that submit an invoice reflecting a higher price for substituted items will not be paid the full amount and will only be reimbursed for the unit price shown in the catalog.

B. If the price of the substituted item is *lower* than the price of the item originally ordered, then the vendor shall invoice at the lower price and not the catalog price.

C. Vendors are required to notify customers if a substitution will be necessary. The customer must approve the substitution prior to shipment.

## VI. HOLIDAYS

A. All orders are to be delivered on the specified delivery date, except for Federal holidays as outlined below. When a scheduled delivery day falls on one of these days, or one designated by your Firm, delivery should occur on the next scheduled business day, unless otherwise agreed to by the customer.

New Year's Day	Labor Day
Martin Luther King's Birthday	Columbus Day
President's Day	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas Day

NOTE: Saturday holidays are celebrated on the preceding Friday; Sunday holidays are celebrated on the following Monday.

B. Holidays celebrated by your firm other than those specified above must be listed below. Also specify your policy for celebrating holidays that fall on the weekend.

_____	_____
_____	_____

## VII. EMERGENCY ORDERS

A. In order to adequately support an emergency order, the vendor must have the ability to provide "same day service" to a customer that is experiencing an emergency situation.

B. The vendor shall provide, at minimum, two (2) emergency orders per month, per individual ordering activity or individual ship or vessel, at no additional cost to the Government.

C. The vendor is responsible for furnishing the name of the designated point of contact responsible for handling emergency orders, and his/her phone number and/or pager number, to the customers.

#### **VIII. AUTHORIZED RETURNS**

A. The contractor shall accept returns under the following conditions:

1. Products shipped in error;
2. Products damaged in shipment;
3. Products with concealed or latent damage;
4. Products that are recalled;
5. Products that do not meet shelf life requirements;
6. Products that do not meet the minimum quality requirements;
7. Products delivered in unsanitary vehicles;
8. Quantity excess as a result of order input error and/or Purchase Ratio Factor error.

B. Any other conditions not specified above that are deemed to be valid reasons for return.

#### **IX. SHORT SHIPMENTS/SHIPPING ERRORS**

A. All short shipments must be annotated by the receiving official on the delivery ticket/invoices accompanying the shipment.

B. Any product delivered in error must be picked up by the vendor on the next delivery day after notification by the ordering activity.

### **CONTRACT ADMINISTRATION DATA**

#### **I. CONTRACTING AUTHORITY**

A. The DSCP Contracting Officer is the only person authorized to approve changes to, or modify any requirement of, the contract. Notwithstanding any provisions contained elsewhere in the contract, said authority remains solely with the DSCP Contracting Officer.

B. In the event the vendor effects any change at the direction of any person other than the DSCP Contracting Officer, the change will be considered to have been made without authority and no adjustment will be made to cover any costs associated with such change.

C. Requests for information on matters related to this contract, such as an explanation of terms or contract interpretation, shall be submitted to the DSCP Contracting Officer.

## **II. INVOICING**

A. Each delivery will be accompanied by the contractor's delivery ticket/invoice. Three (3) copies (an original plus two) shall accompany the shipment. The customer shall sign all copies of the invoices/delivery ticket, keep one (1) copy and return the ORIGINAL copy to the vendor. Any changes must be made on the face of the invoice. Attachments to the invoice are not acceptable.

B. The vendor shall submit two (2) signed copies of the invoice to the Defense Finance and Accounting Service (DFAS) Columbus Center for payment. At least one (1) of the invoices must be an ORIGINAL, SIGNED copy with an ORIGINAL SIGNATURE. Each invoice shall contain sufficient data for billing purposes. This includes:

1. Contract Number;
2. Call Number or Delivery Order Number or Contract Order Number;
3. Purchase Order Number;
4. Contract Line Items listed in numeric sequence (also referred to as CLIN order);
5. Item Nomenclature;
6. DODAAC
7. Quantity purchased per item in DSCP's unit of issue;
8. Clearly identified and annotated changes on all copies;
9. Total dollar value of each invoice (reflecting changes to the shipment, if applicable).

C. It is ***strongly preferred*** that there be only one (1) invoice per customer per delivery. Vendors are discouraged from running separate invoices for bread and bakery items. However, if this is not possible, then all invoices must be clearly annotated that they are part of a group, e.g. 1 of 3, 2 of 3, etc. In addition, all invoice groups must be sent to DFAS Columbus together, in the same package.

D. Unit prices and extended prices must be formatted to only two (2) places beyond the decimal point. STORES will not accommodate positions of three (3) and above places beyond the decimal point. For example, an extended unit price of \$1.087 must be rounded up to \$1.09.

**ADDENDUM**

The  
following

**ADDITIONAL CLAUSES** are set forth in **FULL TEXT:**

**252.204-7004 REQUIRED CENTRAL CONTRACTOR REGISTRATION (NOV 2001)  
DFARS**

**(a) Definitions.**

As used in this clause--

(1) "Central Contractor Registration (CCR) database" means the primary DoD repository for contractor information required for the conduct of business with DoD.

(2) "Data Universal Numbering System (DUNS) number" means the 9-digit number assigned by Dun and Bradstreet Information Services to identify unique business entities.

(3) "Data Universal Numbering System +4 (DUNS+4) number" means the DUNS number assigned by Dun and Bradstreet plus a 4-digit suffix that may be assigned by a parent (controlling) business concern. This 4-digit suffix may be assigned at the discretion of the parent business concern for such purposes as identifying subunits or affiliates of the parent business concern.

(4) "Registered in the CCR database" means that all mandatory information, including the DUNS number or the DUNS+4 number, if applicable, and the corresponding Commercial and Government Entity (CAGE) code, is in the CCR database; the DUNS number and the CAGE code have been validated; and all edits have been successfully completed.

**(b)** (1) By submission of an offer, the offeror acknowledges the requirement that a prospective awardee must be registered in the CCR database prior to award, during performance, and through final payment of any contract resulting from this solicitation, except for awards to foreign vendors for work to be performed outside the United States.

(2) The offeror shall provide its DUNS or, if applicable, its DUNS+4 number with its offer, which will be used by the Contracting Officer to verify that the offeror is registered in the CCR database.

(3) Lack of registration in the CCR database will make an offeror ineligible for award.

(4) DoD has established a goal of registering an applicant in the CCR database within 48 hours after receipt of a complete and accurate application via the Internet. However, registration of an applicant submitting an application through a method other than the Internet may take up to 30 days. Therefore, offerors that are not registered should consider applying for registration immediately upon receipt of this solicitation.

**(c)** The Contractor is responsible for the accuracy and completeness of the data within the CCR, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, the Contractor is required to confirm on an annual basis that its information in the CCR database is accurate and complete.

**(d)** Offerors and contractors may obtain information on registration and annual confirmation requirements by calling 1-888-227-2423, or via the Internet at <http://www.ccr.gov>.

Also, the full text of a clause may be accessed electronically at this address: <http://www.dla.mil/j-3/j-336/icps.htm> **OR**

**52.212-1 INSTRUCTIONS TO OFFERORS--COMMERCIAL ITEMS (OCT 2000)**

(a) North American Industry Classification System (NAICS) Code and Small Business Size Standard.

The NAICS code and small business size standard for this acquisition appear in Block 10 of the solicitation cover sheet (SF 1449). However, the small business size standard for a concern which submits an offer in its own name, but which proposes to furnish an item which it did not itself manufacture, is 500 employees.

(b) Submission of Offers.

Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show--

- (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;
- (5) Terms of any express warranty;
- (6) Price and any discount terms;
- (7) "Remit to" address, if different than mailing address;
- (8) A completed copy of the representations and certifications at FAR 52.212-3;
- (9) Acknowledgment of Solicitation Amendments;
- (10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and
- (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) Period for Acceptance of Offers.

The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) Product Samples.

When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) Multiple Offers.

Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

**52.212-1 (continued)**

**(f) Late Submissions, Modifications, Revisions, and Withdrawals of Offers.**

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is “late” and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government’s control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

**52.212-1 (continued)**

**(g) Contract Award** (not applicable to Invitation for Bids).

The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

**(h) Multiple Awards.**

The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

**52.233-9000 AGENCY PROTESTS (SEP 1999) DLAD**

Companies protesting this procurement may file a protest 1) with the contracting officer, 2) with the General Accounting Office, or 3) pursuant to Executive Order 12979, with the Agency for a decision by the Activity's Chief of the Contracting Office. Protests filed with the agency should clearly state that they are an "Agency Level Protest under Executive Order 12979." (Note: DLA procedures for Agency Level Protests filed under Executive Order No. 12979 allow for a higher level decision on the initial protest than would occur with a protest to the contracting officer; this process is not an appellate review of a contracting officer's decision on a protest previously filed with the contracting officer). Absent a clear indication of the intent to file an agency level protest, protests will be presumed to be protests to the contracting officer.

**52.233-9001 DISPUTES: AGREEMENT TO USE ALTERNATIVE DISPUTE  
RESOLUTION (JUN 2001) DLAD**

(a) The parties agree to negotiate with each other to try to resolve any disputes that may arise. If unassisted negotiations are unsuccessful, the parties will use alternative dispute resolution (ADR) techniques to try to resolve the dispute. Litigation will only be considered as a last resort when ADR is unsuccessful or has been documented by the party rejecting ADR to be inappropriate for resolving the dispute.

(b) Before either party determines ADR inappropriate, that party must discuss the use of ADR with the other party. The documentation rejecting ADR must be signed by an official authorized to bind the contractor (see FAR 52.233-1), or, for the Agency, by the contracting officer, and approved at a level above the contracting officer after consultation with the ADR Specialist and with legal counsel (see DLA Directive 5145.1). Contractor personnel are also encouraged to include the ADR Specialist in their discussions with the contracting officer before determining ADR to be inappropriate.

(c) If you wish to opt out of this clause, check here [ ]. Alternate wording may be negotiated with the contracting officer.

***Alternate I (FEB 1998)DSCP***

Unit prices shall be limited to a maximum of two decimal places. For evaluation and award purposes, offers containing a unit price of more than two decimal places shall be rounded off to two decimal places, as follows:

52.214-22 Evaluation of Bids for Multiple Awards (Mar 1990)

In addition to other factors, bids will be evaluated on the basis of advantages and disadvantages to the Government that might result from making more than one award (multiple awards). It is assumed, for the purpose of evaluating bids, that \$500 would be the administrative cost to the Government for issuing and administering each contract awarded under this solicitation, and individual awards will be for the items or combinations of items that result in the lowest aggregate cost to the Government, including the assumed administrative costs.

**52.204-9P02 INFORMATION RELATING TO ELECTRONIC DATA INTERCHANGE (EDI)  
(MAR 1994) DSCP**

(a) Electronic Data Interchange (EDI) is most commonly defined as the electronic exchange of data contained in normal business transactions, between trading partners, using a public standard format.

(b) The Defense Supply Center Philadelphia (DSCP) has implemented a system for EDI, using the Accredited Standards Committee (ASC) X12 and/or Uniform Communication Standard (UCS) Standards, as applicable, that will electronically transmit contracts and/or orders for the item(s) covered by this solicitation in addition to receiving invoices and transmitting payments electronically. Our goal is to utilize EDI to the maximum extent possible.

(c) EDI capability is not a requirement for award under this solicitation. Those offerors who can begin to use EDI should do so at this time. For those offerors who cannot, the mailing of hard copy documents will continue. This is being permitted since this is a transition period between the current methods and the full implementation of EDI technology and procedures. However, even though the current hard copy procedures will be permitted, it is the intent of the government that eventually all transactions will be via EDI.

(d) When the offeror intends to use EDI in the transmission and/or receipt of business documents--

(1) The offeror shall enter into an EDI Trading Partner Agreement (TPA) with DSCP (see paragraph (e) below). The EDI TPA defines the responsibilities of the trading partners exchanging electronic transactions.

(3) All terms and conditions which would otherwise be applicable to a paper document shall apply to the electronic document.

(AUG 1992) DSCP**

Delivery orders issued against this indefinite delivery contract shall be administered by the person who placed the order on behalf of the government, i.e., the commissary ordering officer or the ordering officer responsible for the troop support activity. Ordering officers are authorized to modify delivery orders and perform all administrative functions pertaining to such orders including termination of the order for late deliveries and other product nonconformances. In these cases, the applicable agency, commissary, or activity may repurchase the supplies locally. Ordering officers, however, are not authorized to sign purchase orders or contracts and cannot take any action to charge the account of the contractor unless they are also contracting officers. Only an authorized contracting officer acting on behalf of the agency, commissary or activity can take these particular repurchase actions. Administration of the terms and conditions set forth in the IDC is the responsibility of the DSCP contracting officer. The ordering officer shall also notify the DSCP contracting officer of all terminations and repurchase actions which were processed under the IDC.

**52.217-9P14 EVALUATION OF OPTIONS (JAN 1992) DSCP**

(a) If award by line item is permitted by the solicitation, the government will evaluate offers for award purposes by adding the proposed price per line item for the basic quantity with the proposed price for the corresponding option quantity line item. If a single award for all items is specified in the solicitation, the government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. If award by lot is specified in the solicitation, the government will evaluate offers for award purposes by adding the total price for each lot with the proposed total price for the corresponding option quantity lot. Evaluation of options will not obligate the government to exercise the option(s).

(b) Should offerors propose option prices which vary (for example with quantities actually ordered and the dates when ordered), these offers will be evaluated using the highest option price offered for each item.

(c) the government reserves the right to make awards for quantities less than those solicited. However, in no event will an award be made for a portion of the basic quantity without a corresponding portion of the option quantity.

**2.246-9P29 ADMINISTRATIVE COST TO THE GOVERNMENT IN PROCESSING  
CONTRACT MODIFICATIONS (JAN 1992) DSCP**

Where contract modifications are issued solely for the benefit of the contractor, e.g., acceptance of nonconforming supplies or change in place of performance or delivery, the sum of \$100.00 (the government's administrative cost to process the modification) shall be obtained from the contractor in addition to any other monetary consideration.

(3) Establishments furnishing the following products are exempt from appearing in the "Directory of Sanitarily Approved Food Establishments for Armed Forces Procurement", or other publication, but will remain subject to inspection and approval by the Military Medical Service or by another inspection agency acceptable to the Military Medical Service:

(i) Fruits, vegetables and juices thereof.

(ii) Special dietary foods and food specialty preparations (except animal products, unless such animal products are produced in establishments covered by paragraphs (2)(i), (2)(iii), or (2)(iv) above).

(iii) Food oils and fats (except animal products, unless such animal products are produced in establishments covered by paragraph (2)(i), (2)(iii), or (2)(iv) above).

(iv) Foreign establishments whose prepackaged finished items are imported by distributors or brokers into the United States as brand name items and then sold to armed forces procurement agencies for commissary store resale.

(4) Subsistence items other than those exempt from listing in the U.S. Army Veterinary Command "Directory of Sanitarily Approved Food Establishments for Armed Forces Procurement", bearing labels reading "Distributed By", etc., are not acceptable unless the source of manufacturing/processing is indicated on the label or on accompanying shipment documentation.

(5) When the Military Medical Service or other inspection agency acceptable to the Military Medical Service determines that the sanitary conditions of the establishment or its products have or may lead to product contamination, the contracting officer will suspend the work until such conditions are remedied to the satisfaction of the appropriate inspection agency. Suspension of the work shall not extend the life of the contract, nor shall it be considered sufficient cause for the contractor to request an extension of any delivery date. In the event the contractor fails to correct such objectionable conditions within the time specified by the contracting officer, the government shall have the right to terminate the contract in accordance with the "Default" clause of the contract.

**(b) Delivery Conveyances.**

The supplies delivered under this contract shall be transported in delivery conveyances maintained to prevent contamination of the supplies, and if applicable, equipped to maintain any prescribed temperature. (Semiperishable supplies shall be delivered in a non-refrigerated conveyance.) The delivery conveyances shall be subject to inspection by the government at all reasonable times and places. When the sanitary conditions of the delivery conveyance have led, or may lead to product contamination, or they constitute a health hazard, or the delivery conveyance is not equipped to maintain prescribed temperatures, supplies tendered for acceptance may be rejected without further inspection.

**52.246-9P32 FEDERAL FOOD, DRUG AND COSMETIC ACT-WHOLESOME MEAT ACT (JAN 1992) DSCP**

(a) The contractor warrants that the supplies delivered under this contract comply with the Federal Food, Drug and Cosmetic Act and the Wholesome Meat Act, and regulations thereunder. This warranty will apply regardless of whether or not the supplies have been:

- (1) Shipped in interstate commerce,
- (2) Seized under either act or inspected by the Food and Drug Administration or Department of Agriculture.
- (3) Inspected, accepted, paid for or consumed, or any or all of these, provided however, that the supplies are not required to comply with requirements of said acts and regulations thereunder when a specific paragraph of the applicable specification directs otherwise and the supplies are being contracted for military rations, not for resale.

(b) The government shall have six months from the date of delivery of the supplies to the government within which to discover a breach of this warranty. Notwithstanding the time at which such breach is discovered, the right is reserved to give notice of breach of this warranty at any time within such applicable period or within 30 days after expiration of such period, and any such notice shall preserve the rights and remedies provided herein.

(c) Within a reasonable time after notice to the contractor of breach of this warranty, the government may, at its election:

- (1) Retain all or part of the supplies and recover from the contractor, or deduct from the contract price, a sum determined to be equitable under the circumstances;
- (2) Return or offer to return all or part of the supplies to the contractor in place and recover the contract price and transportation, handling, inspection and storage costs expended therefore; provided, that if the supplies are seized under either act, such seizure, at government option, shall be deemed a return of supplies within the meaning of this clause and thereby allow the government to pursue the remedy provided herein. Failure to agree to any deduction or recovery provided herein shall be a dispute of a question of fact within the meaning of the clause of this contract entitled "disputes".

(d) The rights and remedies provided by this clause shall not be exclusive and are in addition to other rights and remedies provided by law or under this contract, nor shall pursuit of a remedy herein or by law either jointly, severally or alternatively, whether simultaneously or at different times, constitute an election of remedies.
